Congratulations to all our Coorabell kids who were selected to compete at the Brunswick Valley District Carnival as part of the combined small team competing at Bangalow last Friday. Each and every one of our representatives displayed true Coorabell courage, spirit, determination and sportsmanship on a challenging course in unseasonably warm weather. It was a great day. Qualifiers for the Zone Cross Country Carnival at Murwillumbah on Friday 22nd May have yet to be announced.

A huge congratulations to Harena who was presented with the Principal’s award/trophy by Jake at last Tuesday’s assembly. Harena has proven herself to be an outstanding Coorabell student and a well-deserved recipient of this prestigious award.

Leila is ready and willing to represent Coorabell Public School in the Bangalow Billycart derby this Sunday but unfortunately does not have a cart as the ones made available to our school through Ian Neil have been sold. If anyone has a billycart that Leila could borrow please contact either Fran or myself.

The Ball family has come up with a wonderful fundraising initiative to help the people in Nepal who have lost so much after being hit by a devastating earthquake recently. The profit from this Friday’s lunch, along with an additional $1, will be redirected to Nepalese people in need. Thank you to the P&C and the Ball family for allowing such a worthwhile fundraiser to take place.

Good luck to all our year 3 & 5 students who will be participating in Naplan Language and Writing tests tomorrow and then Reading on Wednesday and Numeracy on Thursday.

Many thanks - Geoff

HEALTH ADVICE

Head Lice

We have had more reported incidence of head lice at school this week. Can everyone please check their children and treat if necessary.

At a glance:-

- They don’t care if the hair is short or long, clean or dirty.

- The best and cheapest way to remove them is with inexpensive conditioner and a nit comb.

- You will need to re-treat your kids several times before all the eggs will be gone.

For more information on treatment you can visit the NSW Governments website at:

Last week, Year 1 conducted a water walk and survey of how water is used in our school. We mapped our walk and drew water drops as a key at those places where we use water. We found that water is used for washing your hands, drinking, watering the vegetable garden, helping sick kids in sick bay, flushing the toilet, washing dishes, cooking and making coffee.

We are very excited about Rous Water coming to our school on Thursday 14th May to teach K-4 about where our water comes from. Sessions will be held from midday onwards.
Hoping you all had a really lovely and special Mother’s Day yesterday xx
