VALUE OF THE WEEK CARE
To Be Considerate, To Be Positive, To Be Safe, To Be A Learner

PRINCIPAL MESSAGE
It is sometimes easy to overlook or take for granted the outstanding level of behaviour, sportsmanship, happiness and creativity that our Coorabell kids display on a daily basis. Mr Eason and I were discussing how enjoyable and rewarding it was to take classes 3/4 & 5/6 for sport on Wednesdays due to their exceedingly positive attitude and support for each other (regardless of sporting ability) while learning and demonstrating new skills. I can assure you that these highly valued characteristics are not present in all other schools nor to such a high degree anywhere I have ever taught. The very next day K/1/2 went to Bravehearts at Bangalow, where the hosts of the event congratulated Mrs van Kempen and stated ‘they had never seen a school with such a high level of behaviour and attentiveness’.

Can I congratulate all parents, teachers and of course the students for such pleasing attributes that allow Coorabell Public School to be such a wonderful teaching and learning environment.

Big congratulations to Poppy and Manon who participated in the Far North Coast Cross Country carnival at Murwillumbah last Friday. Both girls displayed true Coorabell courage, spirit, determination and support for each other in this gruelling event. Well done girls.

Thanks again to Mrs Crawford, Mrs Brown and Nick (Mrs van Kempen’s husband) who for the second week gave up considerable weekend time to help our school. Mrs Crawford and Mrs Brown spent Sunday screen printing costumes for the Far North Coast Dance Festival to be held on June 4th and Nick for spending Saturday erecting display boards in the Kindergarten classroom. Jeremy let us know that they managed to raise over $4,500 to help in the recovery of Nepal from its earthquake and ongoing tremors that have caused such heartbreaking devastation.

Thank you to the parents who have already returned their expression of interest in Before/After school and Vacation care that we are hoping to establish. Please ensure you return the form attached as soon as possible if you are interested.

Congratulations to Xavier B, Hope, Matthew, Soara, Sam, Lily and Kai H who participated in the Digital Technology component of the ICAS (International Competitions and Assessments for Schools) competition and good luck to Xavier B, Hope, Matthew, Soara, Belle, Lily, Kai H and Bronte who will be attempting the Science component next week.

Next Monday 1st June Year 5 will be attending InterRelate, a highly regarded program that comprehensively explores the value of good communication within families and relationships with an emphasis on developing a positive attitude to change. A permission note has been sent home today outlining more information.

A huge thank you to Aarna and David for cooking our Friday lunch. The pizza received rave revues from all students and staff.

Thank you to our Bangalow Billy Cart Derby Car-Parking Attendant team – Aarna, Dave, Banjo, Jethro and Jasper Edgson Amy Moyes, Di Robertson, Paul Robinson, Allira Cornell, Narelle Garofano, Mrs. Brown and Mrs. Crawford! You did fantastic job braving the weather and the billy carts! Over $600 was raised – $300 for our school!

We are currently supporting an important campaign to seek government funding for an additional toilet block for our school. We consider this to be essential to enable our children in the library and 5/6 class much needed access to a toilet block without needing to brave wet weather and a long trek to the bathroom. We are currently appealing to our local politicians and ministers and hope to have some positive news to report.

Hmmmmm…. Ideas are brewing also for a pedestrian crossing and some much needed traffic control outside our school gate.

Expression of interest for Before School, After School, and Vacation Care

Northern Rivers Childcare Services Inc is a not-for-profit childcare organisation with over 30 years experience in Lismore and the northern rivers region. We have been asked by your school to consider establishing an OSHC care service. In order to proceed we need to have an adequate level of demand. The service would operate from designated areas in the school.

The minimum number of children required each day is 6 -7, with one educator supervising them. The service will operate in accordance with the National Education and Care Services Regulations and Law. Supervision will be provided by NRCS and the School Principal. The service can open 1-5 days per week, subject to parents’ needs.

Fees are relative to the number of children who regularly use the service. Depending on your CCB and CCR entitlements, fees may start from $6 after school, $4 per morning and $17 per day vacation care. Average costs are approximately $11 for after school care, $7 before school, and $25 vacation care. Bookings will be permanent, for which absences will have to be paid. Higher casual rates are available. If you are confident that you would use this service please provide your details below.
